

The Princeton Community Trust

At the 2010 Annual Town Meeting a Special Article was approved by voters establishing a specific Trust Fund to be used for the benefit of Princeton residents in need of financial assistance. Known as The Princeton Community Trust, as enacted, this Trust is to be funded by donations, gifts, fund raising events or from other non-public sources.

A small amount of “seed” money has been pledged to date. Although the donors have been generous, The Trustees are actively seeking contributions to increase the available funds.

Donations to the Trust, be they a few dollars or a few thousand dollars, will make a difference for some of the folks in our community. We ask you help in this effort.
