Meeting called to order: 7:32

Attendance: Addison, Jaime, Kelton, Peter

Review and approval of 9/11/2023 minutes

Director's Report

Jaime will continue pursuing Wachusett ski program. Would like to see it happen. Can P&R pay for the bus? There was a lot of money leftover last year. When we move on to doing field maintenance, we will not be able to do this.

Field maintenance: we need prevailing wage sheet. Tried to get 2 rounds of quotes without prevailing wage sheets, then we cannot move forward.

Peter will help with getting ball rolling on field maintenance and wage sheet with Sherri.

Was there any discussion about replacing Jaime as parks and rec director? Sherri had mentioned collaborating with Parks and Rec director in Rutland.

Kelton seconds. Jaime is a member and will get sworn in.

Motion to approve minutes from 9/11, kelton second. Minutes approved.
