

Princeton Agricultural Commission

October 2, 2019

Attendance: Chad Steiner, Eddie Good, Ashley Gibbs, and Walter Govey

- We evaluated our Hey Day Children's Vegetable and Flower Arrangement. Suggestions made were: try to coordinate with the Thomas Prince School Librarian to have a signup list posted in the school library.
- Farm business signs were mentioned as an item to be further addressed.
- Ideas for more material for our website princetonagcom.com:
 - * We each submit a brief bio of ourselves for the website
 - * Possible video demonstrating how to dye wool
- Next meeting November 6, 2019 at 7 PM
