

Board of Health
Minutes
Remote Meeting
October 15, 2020
9:00 am

Members Present: Greg Dowdy, Jim Hillis, Dianna Markley and Terri Longtine, Sec'y

Interested Parties: Linda Nash

Opened Meeting: 9:00 am

Approved Minutes: Greg moved to accept minutes. Jim seconded. AIF
8/5,19,26 - 9/9,24 - 10/1

Correspondence: None

Other: **COVID 19 Update:** No new cases
Linda Nash had a question regarding DPH statistics and how the testing is reported to the Town. Dianna stated that the physicians are tested regularly and those particular results would have an affect on what is reported as well. There are many factors involved as well.

11 Mirick Rd – Horse issue. Still no response from letter.

Next Steps: Subsequent notices of violation would necessitate imposing fines. There was a concern regarding the well being so close to the manure. Jim asked if the DCR should get involved. Sec'y will contact DCR Rep. and issue certified letter.

Linda Nash had a question regarding DPH statistics and how the testing is reported to the Town. Dianna stated that the physicians are tested regularly and those particular results would have an affect on what is reported as well. There are many factors involved as well.

Waste & Recycle Committee – Meetings are bi-weekly. Committee is working on grant possibilities and community outreach. Linda Nash stated that she finds it hard to get any kind of feedback from the community via nextdoor. The Committee is working on Community Outreach and that will be addressed.

155 Brooks Station Rd – Brian Keevnan from Cons Comm looking for BOH inspection on property. Greg will inspect.

Thomas Prince – Food service will be contacted to set up an inspection before school is open. Jim stated that the date for reopening may change depending on number of COVID cases.

Dianna touched briefly on the Farm networking group that she belongs to.

Adjourn: 10:05 am

Next Meeting: October 22, 2020
