

Minutes Princeton Historical Commission

1/17/2019

In attendance: Larry Todd, Krista Ferrante, Matt Lindberg, Carl Soderberg

- Meeting opens at 7:05
- Minutes of 12/18/2018 unanimously approved.
- Gregory Oswitt from Lynch Co. discussed historic elements of East Princeton. Looked at fieldstone samples of rocks for walls. Suggestion was made that we might be able to use the same fixture at the town common lights. PLMD has said they are reluctant to stock lights and parts for additional types of lamps.
- Discussion of facilities steering committee and intentions for the Center School Building. JWA is working on new design proposals. The Center Building is a Public Building in a historic district. PHC would like to encourage public support for the building project.
- Discussion of historic house plaques. Need to investigate the data needed to approve a plaque and who makes the plaques.
- Discussion of using GPS data for historic places and stone.
- Discussion of building a path into the Town Pound in the road right-away.
- Town Volunteer fair Feb. 2nd. PHC was asked to participate.
- Meeting adjourns at 8:30
