

BOARD/COMMITTEE: Princeton Historical Commission

Minutes for February 20, 2020

Attendees: Larry Todd, Matthew Lindberg, Jane Morrisson

Administrative Business

Motion to approve minutes from 01/23/20 unanimously approved.

Mechanics Hall

The process is ongoing; no updates.

Four Corners Sign

The sign was repaired at no cost by a welding shop in Hubbardston. The Highway department will reinstall it when weather clears. Larry is hoping that the highway department will place some small boulders around the sign to prevent a recurrence of this mishap.

Civil War Plaques

Larry contacted Vermont Marble & Granite but did not receive a response yet. An email from Sherri Patch asked us to look into grants and/or fundraising to replace plaques.

Hidden Treasures Program

Group of 40 communities that highlight history was discussed. After a brief discussion it was decided not to participate this year.

Town Common Trees

An email from Karen Cruise asked about moving trees from the Center School to the common. There is a 2015 policy concerning the town common. It was decided that it

was not a good idea to place more trees on the common and they should find another place to move them.

Reorganization

It was decided to wait to reorganize positions at the next meeting due to low attendance.

Date for the next meeting was set for March 19, 2020.
