

## **Princeton Historical Commission**

**January 19, 2023**

Attendees: Matthew Lindberg - chair, Larry Todd - clerk, Tom Kokernak

The meeting opened at 7:08 pm.

The meeting minutes of 12//22 were approved as written.

Matt said there is a breakfast meeting on February 27 for board and commission chairs; he will attend.

There was a brief mention of the town pound and the need for a goat to eat the poison ivy.

Tom sent around a list of the names of the Princeton residents who died at the poor farm. The list shows where they are buried, if known. His primary resource was the journal of the overseers of the poor. He copied Joyce but has not heard from her. There was discussion regarding a marker for these people.

No new business

The next meeting will be held on February 16 at 7pm. The meeting will be remote.

The meeting was adjourned at 7:30 pm.

Respectfully submitted, Larry Todd, clerk
