

## Princeton Historical Commission Meeting Minutes 5/23/2019

In attendance: Larry Todd, Carl Soderberg Matt Lindberg, Krista Ferrante,

### East Princeton

In attendance, Greg Oswitt and Representatives from Auciello Iron Works, Inc. 560 Main St. Hudson, MA sub-contractor that is making the bridge railing replica.

Railing to be painted Black

Approvals for the bridge railing must submit to the following groups

- Mass Dot GPI
- Princeton Historical Commission
- Mass DOT Cultural resource board

Rosets could be made from Cast steel or ductal Iron using cast from the original rosets

Motion to approve the fence design (with the original rosets) is unanimous

### Lighting for East Princeton Village

- DOT will not pay for the hurricane lamps inside lamps 160\$ each
- \$1,600 each, \$14,500 for 8 to replace lights on Princeton Town Common. Town would be getting a discounted bulk rate if they decide to purchase.
- Princeton would also need to pay for any additional replacement light.

### Town Pound

- Carl, Larry and Brian from the conservation commission looked at the survey pins and determined that they should be able to make a walk way in the town right of way. Will be working to make a path this summer and putting up the sign

### Mapping stone wall

- Larry presented aerial landscape drawing which seems to show the stone wall. Drawings from Central MA Regional Planning Commission.

### Bagg Hall

Will follow up with new town administrator about the contract for Spencer, Sullivan, and Vogt.

### Historic House plaques

- Will ask home owners to provide proof of when the house was built
- Will use the name of the person that originally built the house with nicknames in quotes
- We need to take a picture of the plaques in town and contact the sign maker.

#### Financial report

PHC would like to spend remaining \$205 in the general account for pathway construction materials for the town pound access trail and the posts for the town pound sign.

#### Commission positions
