No work on state grant yet. No purchases until final word.

Discussed IT space in new facilities build out if that passes a town vote. Is there a centralized location in new building plans for IT equipment? Will the building be wired and is IT infrastructure being taken into account - wireless AP drops, etc. Are there any monies in the budget for items such as wireless access points and wiring? Air conditioning for environmental? If building passes – committee will work with correct resources during design phase.

Peter C. discussed Dell vs. Lenovo support on desktops and moving toward Dell desktops only.

Committee to review Peters purchase list at the next meeting.

Patrick to ask Nina about term renewals.

Next meeting to be May 16 at 5PM

Adjourned at 6:31PM
