

# TRAILS AROUND PRINCETON

Princeton Trails Website

## Princeton Land Trust (PLT) Gregory-Alexander Trails

Trails lead up (80 ft elevation gain) to Prospect Street and the Princeton town center. The route goes through a small wetland and then climbs through open forest. A spur trail to the north leads to Gregory Spring, which was the original water source for the town center.

### Thanks to our land donors!

- **PLT Gregory:** Gregory Kendall and Mary Gregory, 1996.
- **PLT Alexander:** The Alexander family, 2016.
- **PLT O'Loughlin:** Tim and Belinda O'Loughlin, 2015.

**Trail Connections:** From this trailhead, connection can be made to other PLT trails over to Krashes Field and out to the Russell Corner trail system and the beaver pond (see map in lower right).

**Princeton Land Trust:** A non-profit formed to preserve the natural beauty and rural character of the Town of Princeton.
