Director Updates

- Reviewed financial statement.
 - If we don't treat Krashes field bent grass (\$2,040) and aeration/overseed (\$6,375) there is a savings on field maintenance. These items were listed as needed. This would bring the total cost for field maintenance at Krashes down to \$3,374.
- P&R discussed ways to increase use at Krashes field.
 - P&R discussed why are teams not returning to use our fields? Location – teams moved to areas where most of the participates live, artificial turf, and lights for evening games. Would we be able to put lights on the fields?
 - Heat the field house
 - Convert a field to baseball, or other ideas possibly a community garden
- P&R approved Hollie to contact the town with the specific request to - have the town take over all expenses related to field maintenance of all fields. P&R will continue to manage.
