Director Updates

- Request for \$15,000 made to the town for field maintenance; this would include all maintenance at both Krashes and TPS fields.
- 5-year plan for capital requests – new soccer goals on all fields ,playground equipment at Sawyer field and Krashes field - heat & ADA access to Needham field house - P&R member questioned the soccer field lights? Was that included, which it was not.
- Gibbs LL will renovate the TPS baseball field (Heroes field). Renovations include a net behind home plate to prevent balls from going into woods and road. They will pay \$2,500. Hollie made it clear, unless we receive additional funding from the town, P&R is not in the position to match their dollar amount.
- Commission voted to accept Rosaura Miranda's application to become a member of Parks & Recreation.
- April 1st for soccer field first lining. P&R will do the initial painting of the field lines. We do not have the funds, or the people to provide this service on an ongoing basis.

Financials

New Business

- P&R approved the following changes to the field lease agreement – billing will be done twice per season and P&R will not paint field lines other than the initial lining.
