OVERALL:

Since October, we lost one full-time officer but added one of our part-time officers to the full-time roster. We have interviewed several individuals for the additional full-time opening, and we are excited that we have two very good candidates.

Forced shift work remains a problem but has decreased since the last quarter. The overtime budget has also seen a decrease since last quarter.

Three officers received certificates of appreciation for their work during the Selectboard's employee recognition dinner.

We have been without one of our brand-new car since it arrived. The car has been in service for about two weeks and has spent most of its time at the dealership due to various issues. The car returned last week but has been put out of service again as of December 17th. This is a 2022 Explorer hybrid SUV.

Our phone issue may have been addressed as of yesterday, but the police is still unable to get town emails.

The budget's overall status looks great, we are on track for each line item.
