Notes from 7/6 discussion:

Eddie - develop/encourage a connected & supportive agricultural community in Princeton believe the (re)establishment of a Community Market would act as a critical/important part of the foundation of this vision

Chad - develop local grown endeavors to address hard times/shortages within our community develop a better way of conducting agricultural commerce

John - instill in younger people a sense of/appreciation for working the land and being connected to it focus on how food is produced and where it comes from

Dylan -

Common themes noted are community, connection, improved understanding of how food is produced and where it comes from
