Programs in September/October

- ◆ **Grab & Go Crafts for Adults and Kids.** First Tuesdays of the month, beginning September 7.
- ◆ **September is Library Card Sign-up Month!** Kindergarten and up. Stop by, get a library card, and receive a surprise grab bag. Tuesday, September 14 through 30.
- ◆ **Teen Advisory Board Meeting.** Grades 7-12. Find out what T.A.B. is all about in this informational meeting. Thursday, September 30, 5:30pm.
- ◆ **Stargazing Program at Krashes Field.** Join us with our library telescope and view the night sky, hopefully viewing Saturn and Jupiter! Bring your own telescope if you have one. Friday, October 15, 6:00pm. Registration limited to 10 participants.
- ◆ **Ellis Island History via Zoom.** Join Michael Morgenthal, a licensed NYC tour guide for a history of Ellis Island presentation. He will describe the experiences of the immigrants who passed through the checkpoint as well as their journey from old world to new. Wednesday, October 27, 7:00pm.

CHILDREN'S PROGRAMMING

- ◆ **Children's Weekly Storytime.** Babies to Age 6. Join Jessie for stories, music and lots of fun. Beginning Friday, September 10, 10:00am.
- ◆ **LEGO Club.** Kindergarten to Grade 5. Stop by and work on a project with our legos. Saturday, September 11, 11:00am.
- ◆ **Butterfly Days.** Exploration and observation of live monarch caterpillars and butterflies. Through the month of September.
- ◆ **Book Eaters Children's Book Discussion Group.** Grades 3-5. Join us for our first meeting to discuss one of your favorite books. Wednesday, September 29, 4:30pm. To register, email jtrowbridge@cwmars.org or call the library.
- ◆ **Read for the Record.** Join a nationwide literacy campaign to set a world reading record. The chosen book is "*Amy Wu and the Patchwork Dragon*" by Kat Zhang. Stop by for a story time and grab & go craft. Thursday, October 28, 4:00pm. For more information visit this website: www.jstart.org/read-for-the-record.

All events will be held outside, weather permitting. Masks required for all indoor activities. Questions, 978-464-2115.
