Massachusetts residents can access booster doses from more than 1,000 locations, with appointments available now for booking across the Commonwealth. CDC recommendations allow for mixing and matching of different COVID-19 booster doses, and eligible individuals may choose which vaccine they receive as a booster dose.

How to Get a Booster:

1. Visit the Vaxfinder tool at [vaxfinder.mass.gov](http://vaxfinder.mass.gov) for a full list of locations to receive a booster. Residents are able to narrow results to search for locations that are offering boosters. Many locations will be booking appointments out weeks in advance.
2. For individuals who are unable to use Vaxfinder, or have difficulty accessing the internet, the COVID-19 Vaccine Resource Line (Monday through Friday from 8:30 AM to 6:00 PM, Saturday and Sunday 9AM-2PM) by calling 2-1-1 and following the prompts is available for assistance. The COVID-19 Vaccine Resource Line is available in English and Spanish and has translators available in approximately 100 additional languages.

HAVE A SAFE, HAPPY, AND HEALTHY THANKSGIVING!
