The Montachusett Public Health Network, COVID-19 Response Team, supports COVID-19 related needs for regional cities and towns. Staff is available from the Response Team on Mondays-Saturdays 10:00 AM - 5:30 PM. If you test positive at home with a rapid antigen test, please fill out this [form](#) to help control the spread of COVID-19 and request support with resources, treatment, and guidance. Services are available in English and Spanish.

If you test positive for COVID-19, you may receive a phone call or text from a staff member of the Montachusett Public Health Network COVID-19 Response Team (phone number 978-602-2356). The purpose of this phone call is to provide you with guidance for your isolation period, ask you questions that will help control the spread of COVID-19, and support you with any resource needs, treatment needs, or questions that you may have. Staff members of the Montachusett Public Health Network COVID-19 Response Team will never ask you for your social security number, bank account information, credit card numbers, or money.
