

1.18.2022

A message from the Rutland Regional Vaccine Team:

Winter 2022

RUTLAND VACCINE CLINICS

The Rutland Vaccine Clinic will continue to offer all vaccination services in 2022. Appointments are added often as days fill. Walk-ins are always welcome.

LOST CARD REPLACEMENT IS NOT AVAILABLE.

DOWNLOAD YOUR RECORD AT myvaxrecords.mass.gov

Please note the following:

1. We do NOT offer pediatric and adult doses AT THE SAME TIME. Please check the times below.
2. During adult clinics, we offer ALL brands, ALL doses: 1st, 2nd, or 3rd ("booster"). The online registration system & clinic staff will confirm with you which dose you are due for & which brand you would like (you can choose any brand, regardless of your past doses).
3. There are currently NO BOOSTERS APPROVED FOR ANYONE UNDER 12. However, we are very happy to accommodate 5-11 year olds on any PEDIATRIC vaccination time for their 1st or 2nd dose of PFIZER ONLY.
4. Our clinic does NOT require your insurance card, ID, or proof of appointment.
5. You MUST bring your ORIGINAL VACCINE CARD with you. We cannot replace lost cards.
