- Residents who are 75+ and received their first vaccination dose on 2/5 and 2/6 will receive their 2nd doses at a Town of Princeton Clinic on 2/26/21 and 2/27/21. If you are in this group and have not received a call or email, please call the Princeton Board of Health. Caregivers and companions of eligible vaccine recipients cannot be vaccinated here. This guidance does not apply to smaller sites like Princeton. It is only available at the state's mass vaccination sites: Fenway Park in Boston, Gillette Stadium in Foxboro; Eastfield Mall in Springfield; and the DoubleTree Hotel in Danvers
- Beginning 2/18/2021, individuals in Group 2 will be eligible to receive a vaccination. Please visit https://www.mass.gov/info-details/massachusetts-covid-19-vaccination-phases#phase-2-for more information. When enough vaccines become available to host a Town of Princeton private clinic, it will be announced on CODERED and the Princeton Board of Health webpage.
