We are currently in Phase 2, which includes early education and K-12 educational workers. The Wachusett Regional School District is handling all employees of their school system and will have a private clinic specifically for them. Any teacher or childcare provider NOT working in the town schools can sign up for our upcoming clinics. If you meet eligibility criteria, please call the Princeton Board of Health Covid 19 Vaccination Request. Leave your name and number, and your call will be returned promptly.

To learn more about eligibility, please visit <https://www.mass.gov/covid-19-vaccine>. As always, please reach out to the Princeton Board of Health if we can be of any assistance. All eligible residents may also visit <https://vaxfinder.mass.gov/> to sign up for an appointment.
