Gov. Charlie Baker on Wednesday outlined when everyone in Massachusetts will become eligible to register for the coronavirus vaccine. In a release, Baker revealed when those residents who have yet to get vaccinated will be able to do so:

- March 22nd: Residents 60+ and certain workers including: Restaurant or cafe workers, Food, meatpacking, beverage, agriculture, consumer goods, retail, or food service workers, Grocery and convenience store workers, Food pantry workers or volunteers, Medical supply chain workers, Vaccine development workers, Transit/transportation workers, Public works, water, wastewater, or utility workers, Sanitation workers, Public health workers, Court system worker, Funeral directors and funeral workers.
- April 5th: Residents 55+ and residents with one certain medical condition
- April 19th: General public ages 16 years of age and older

People who are not yet eligible to be vaccinated can preregister now for an appointment at one of Massachusetts' mass vaccination sites: <https://vaccinesignup.mass.gov/#/>

Booking for other locations providing vaccines, like boards of health and pharmacies, is available through the state's VaxFinder website: <https://vaxfinder.mass.gov/>
