

ENERGY SAVINGS FOR TODAY AND TOMORROW

CURRENT AND FUTURE OPPORTUNITIES FOR PMLD CUSTOMERS

April 1, 2021–7pm to 8:30pm

For virtual event details, please visit the [EAC committee webpage](#)
or email the EAC at PrincetonEAC@gmail.com

Princeton Light Commissioner and independent consulting engineer Rick Rys will describe the future of electric energy management, including demand-side management, net metering, smart metering, and interactive homes. He will also offer practical tips on increasing home energy efficiency.

Joseph Coles, Energy Efficiency Program Manager with the Massachusetts Municipal Wholesale Electric Company, will discuss rebate and incentive programs currently offered to Princeton Municipal Light Department customers through the Home Energy Loss Prevent Services (HELPS) program.

The presentations will be followed by a Question & Answer session.
