

# TOWN OF PRINCETON

Princeton Solar Farm Working Group

[www.town.princeton.ma.us](http://www.town.princeton.ma.us)

[PrincetonSolarFarm@gmail.com](mailto:PrincetonSolarFarm@gmail.com)

DATE: Feb 16th, 2023 10:00 am

LOCATION: via Zoom

REQUESTED BY: Richard Chase

*"The listings of matters are those reasonably anticipated by the Chair 48 hours before said meeting, which may be discussed at the meeting.~ Not all items listed may in fact be discussed and other items not listed may also be brought up for discussion to the extent permitted by law."*

## MINUTES OF TOPICS DISCUSSED

- Reviewed and approved minutes of 1/19 and 2/8 meetings
- Summary of discussion, the Landfill site is likely feasible and the Town should move forward.
- Next steps
  - Draft warrant article for ATM for change of use and go ahead with RFP
  - Draft RFP
  - Draft PCUP (Collect information)
  - Continue research on DCR land and potential candidates for land swap.
  - Site visit to TPS for land around hiking trails for possible land swap with DCR
- Maximize the amount of work accomplished by volunteers to minimize the use of Town Employees to keep costs to a minimum.

### Action items:

JM, RC	Work with Tom Mullen to draft ATM warrant article
CBH, RC	Collect information for RFP, samples, details
CBH, RC	Collect information for PCUP, samples, details
RC, CBH	Draft presentation for ATM and related meetings
CBH	Provide GPS Map for TPS trails
All	Research options for land to swap with DCR for sandpit land next to landfill
