

Town of Princeton
ZONING BOARD OF APPEALS
September 11, 2019

**Special Permit for construction of a screened-in porch
on a legal, non-conforming lot.**

Minutes and Decision

The Princeton Zoning Board of Appeals held a public hearing at the Town Hall Annex on September 11, 2019, at 7:00 PM to hear a petition for a Special Permit for Clinton & Kathy Goyette. Property is located at 71 Hickory Drive in Princeton, on Assessors Map #15-47, Lot 25 and a deed duly recorded in the Worcester County Registry of Deeds Book 37906 Page 328. The property is situated in the district classified under the Zoning Bylaws of the Town of Princeton as Residential-Agricultural and is a pre-existing, non-conforming lot with a total area of 80,000 sq.ft. in what is now a two-acre minimum lot size zoning district.

The petitioner sought a Special Permit pursuant to M.G.L. Chapter 40A sect. 6 and the Princeton Zoning Bylaws Section VII, 2. (B), seeking permission to construct a 16' x 14' screened-in porch on the rear of the house.

Board members present were Chairman Christopher Walton, Jesse Weeks, Larry Greene, Jr., and alternate Edith Morgan. The chairman opened the hearing at 7:00 PM; explained the procedure for a public hearing and read the public hearing notice.

Applicants Clinton & Kathy Goyette were present and explained the lot plan and building footprints and outlined the project, noting that the only non-conformity was the lot size. The proposed porch addition meets all set-back requirements and is not visible from the street. Board members had no further questions.

The chairman opened the hearing to public comment. There were no abutters or other residents attending and no further comments.

At 7:05 PM the board voted all in favor to close the public hearing portion of the meeting and they began deliberations. The proposed porch addition will meet set-back requirements, as does the existing house and garage.

Board members considered the fact that the addition would not detract from the existing residential use of the neighborhood. They noted that the new construction will not be visible from the street and as a "de minimus" change does not derogate from the intent or purpose of the zoning ordinance.

At 7:07 PM, all three board members **voted unanimously to grant the Special Permit** in accordance with Princeton Zoning Bylaws Section VII, 2. (B)

Appeals, if any, should be made pursuant to Section 17, of the Massachusetts Zoning Act, Chapter 40A and shall be filed within twenty (20) days after the date of the filing of this decision with the Town Clerk.
